TRAVEL INSURANCE

PLEASE NOTE that THORNES INDEPENDENT LTD no longer provides Travel Insurance.

It is a condition of your booking that you have adequate travel insurance.

For packages outside mainland Britain travel insurance is compulsory.

For other packages we strongly advise all our customers to take out travel insurance to cover medical and repatriation costs, personal injury, loss of baggage and cancellation charges.

Where insurance is compulsory, you must provide us with the name of the insurer, the policy number and the 24 hour emergency telephone number within 6 weeks of departure.

If you do not have adequate insurance and require our assistance during your package, we reserve the right to reclaim from you any medical repatriation or other expenses which we may incur on your behalf which would otherwise have been met by insurers.

If you already have your travel insurance in place or have an annual policy which covers you, please enter the details below.

Below are additional booking conditions that apply to Heritage Transport Holidays.

Coaches - In the unlikely event of a vintage coach being unavailable a modern coach would be substituted.

Seat Allocation - Seats on the coaches are pre - allocated to accommodate personal needs & requests. Please make sure that you advise us at the time of booking of any needs or requests.

Limited Mobility - The holidays in our brochure have been carefully selected to enable our clients to enjoy themselves regardless of limited mobility or other handicap. Additionally many of the hotels will have lifts or ground floor rooms. However, we do recommend that you speak with ourselves before booking and it is important that you enter the word disabled in the Special Requests panel on the booking form. We will endeavour to minimise any discomfort and inconvenience, however we cannot make any guarantees.

Weight Restrictions

Luggage - Our vintage coaches were constructed with only a small luggage locker at the rear of the vehicle, therefore our luggage carrying capacity is very limited. Experience has shown that suitcases take up a lot of room, therefore soft 'holdall' bags are necessary on our Heritage Transport Holidays. Please also note that any purchases made during your holiday will need to be housed within your existing luggage or the rack space within the coach saloon. (large or sharp items cannot be carried).

Personal - Our vintage coaches were constructed to much smaller dimensions than modern day touring coaches. Entrances are narrower, steps steeper and seating legroom varies from coach to coach. That said they can be exceedingly comfortable in the leisurely pace we strive to achieve with our tours. However our Heritage Holidays carry a personal body weight restriction of 20 stones. It is believed that anyone above this limit would not find enjoyment in the tour due to personal discomfort in a restricted environment and the design of the vehicles themselves is not compatible to this situation.

THIS SECTION MUST BE SIGNED BY EACH PERSON BOOKING

I have read and accepted the terms and conditions set out in the brochure for all tours and the above additional conditions for Heritage Transport Holidays if applicable.
